

PRESS RELEASE

**STRONG GROWTH
THIRD QUARTER SALES 2005 : +98%**

Boulogne, 2 november 2005 : MEETIC, the leader in the European online dating services market, today announced its sales for the 3rd quarter ended 30th September 2005.

Sales (€ m)	2005	2004	Change as a %
Third quarter	11.1	5.6	+98%
Cumulative to 30 September	29.7	14.5	+105%

MEETIC Chairman and Chief Executive Marc Simoncini commented: "Consolidated sales for the first 9 months of 2005 came to € 29.7 m, compared with € 21.3 m for the 2004 financial year. H1-2005 sales were nearly double the figure posted in the first half of 2004, while Q3-2005 sales were almost twice Q3-2004 sales. These results confirm strong and steady growth of our business and show the relevance of our business model. In line with this growth momentum we are paying extremely close attention to our organisation and to the quality of our services in order to strengthen our leadership and our federative position in the online dg services market."

About Meetic the European leader of online dating services (www.meetic-corp.com)

Meetic has become the European leader of online dating services in less than 4 years. Meetic has already imposed itself as the leader in the European online dating market with a database of more than 13.9 million registered profiles and the largest audience share* at 23.16% (source: Nielsen/NetRatings - September 2005). The company offers its services in 13 European countries and in 9 different languages. Meetic has pursued a proactive European leadership strategy since inception based on a top quality policy, innovative marketing and complete technological expertise permitting the management of a database of more than 2,2 million active profiles 30 days. As part of the drive to align services as closely as possible with the expectations of European subscribers, Meetic intends to launch new services in the near future. The first, ULTEEM, is already exclusively available on <http://ulteem.meetic.fr>. In 2004**, Meetic recorded sales of €21.3 m and net profit of €2.7 m.

* Audience share: The calculation is as follows: (number of unique visitors to the site * time spent on the site)/(number of unique visitors in the 'dating' sub-category * time spent on sites in this sub-category)*100)

**The company has had financial years of different length since its start-up. The sales figures for 2004 referred to in this press release is based upon these pro-forma financial statements for 12-month periods.
